

STEM Together Adult Future Shapers: Applicant terms and conditions

1. You must be a resident of Australia.
2. You must be 18 years of age or older.
3. You can only nominate yourself.
4. For your application you must provide:
 - written or video responses to five questions (maximum 200 words per question, or maximum 1-minute video per question)
 - your contact details
 - the contact details of a referee who can support your application. We will only contact the referees of shortlisted Future Shapers. Referees may include a colleague, school teacher/principal, community member, or community Elder.

We will also ask for basic demographic information about you and the young people that you support. These fields are optional.

5. Employees of CSIRO, BHP, or the BHP Foundation, and their immediate families are not eligible to apply for the Future Shapers program.
6. If selected as an Adult Future Shaper, we will work with you to create a support package based on your goals. You will receive:
 - support in creating an individual success plan
 - access to virtual workshops, events and networking opportunities
 - the choice of co-designing an 'experience package' or a 'resource package' to help you, your class or your community develop capability, confidence, and connection in STEM
 - experience-based prizes must take place in Australia.
7. Prizes may be up to the total value of \$3000. Future Shapers will not receive cash or cash equivalent prizes. CSIRO reserves the right to define expenditure for the prize.
8. Decisions regarding Future Shaper applications are final, and no further correspondence will be entered into.

For any further queries, please contact STEMTogether@csiro.au.
