This second page option is for those that have signed in already and are coming back to finish off a partially completed profile and/or application. It is also the page you will see if you have already completed your profile but did not complete your application. We refer to this page as your **Dashboard**.

If you want to complete your profile, select the drop down next to your name at the top right corner of the page, then select **Edit profile**.

The screenshot shows the CSIRO Education & Outreach Portal dashboard. At the top left is the CSIRO logo and the text "Education & Outreach Portal". At the top right, the user's name "PEDRO TEST WALKER" is displayed with a dropdown arrow. The main content area features a greeting "Good afternoon, Pedro TEST". Below this is a section titled "Programs" with a photograph of three students. Under the photo is a white box containing the text "Education & Outreach Programs" and "Learn more about the programs we offer." A red arrow points to a blue link that says "Learn about our programs". At the bottom of the page, there is a footer with links for "Help", "Contact CSIRO Education and Outreach", "Legal information", "Accessibility", and "© Copyright CSIRO 2022".

NOTE: If you **did not** enter the portal via the CSIRO website you will need to select **Learn about our programs** from the Programs tile (shown above) to go to the main CSIRO Education & Outlook website and browse the programs we have on offer.

NOTE: At the time of producing this document, only one program can provide on-line applications. That is **STEM Professionals in Schools**. The example below shows the steps to apply for this program.

Once at the main CSIRO Education & Outreach website, decide which program you want to be a part of. In this example, it's the STEM Professionals in Schools program. Read through the information on the page and select the role that best describes your work – STEM Professional or Teacher.

If you have chosen the right role and your happy to continue, select **Join the program** from the right-side menu.

Read through the steps to apply, then scroll to the bottom of the page and select **Apply now**.

Get involved!

Interested in becoming part of STEM Professionals in Schools? Register today to get started.

[Apply now](#)

The next page you will be taken to is back at the portal. Here you will notice you are back at your Dashboard page and your name appears in the top right corner.

Select the **Sign in/Sign up** button. You will be taken to the application page.

Please note: If you receive a sign in error at this point, it may be because you are still signed in from your last visit or already signed in. To overcome this, select your name at the top right of the screen then select **sign out**. Go back to step 1 and start again.

STEM Professionals in Schools Application

Eligibility criteria

To be eligible for the STEM Professionals in Schools program:

STEM Professionals

- Minimum qualification of a Bachelor degree or demonstrated experience in a science, technology, engineering or mathematics or related area
- The ability to obtain and/or provide evidence of, the relevant Working with Children/Vulnerable People check and National Police Certificate as part of the CSIRO Child Safe procedure

Teachers

- Teachers and principals in Australian primary and secondary schools from K-12 across school sectors

What's expected of you?

A commitment to:

- An ongoing partnership (not a one-off visit)
- Maintain a current Working with Children Check (STEM professionals)*
- Maintain a current National Police Check (STEM professionals)*
- Abide by CSIRO's Child Safe Procedure
- Make contact with each other soon after the partnership is formed
- Work collaboratively with your partner to establish a mutually agreeable plan
- Provide feedback to the program team as requested

* CSIRO will bear the cost of each of these checks

Please select your role *

By clicking Agree and Continue, I hereby Agree and consent to the [Terms of Use](#) and [Privacy Policy](#), and expressly instruct CSIRO to communicate specific information about me and my application to third parties in accordance with the [Privacy Policy](#).

Agree and Continue

Once your profile and application have been saved, you will be taken back to your Dashboard. Here you will find all the information you need to assist you with the CSIRO Education & Outreach program you have applied for. The boxes (tiles) you see on this page will vary depending on where you are with your program application and what actions you might have remaining – e.g., applying for a Working with Children Check (*if applicable*).
