

STEM School Award

Evidence of Engagement and Implementation

To be eligible for this award, applicants must be able to show effective engagement with the local Indigenous community to effectively implement innovative STEM programs.

- All applicants are required to submit at least one reference to support this nomination
- Submissions can include supporting letters or recordings from the local Indigenous community, Traditional Owner(s), parents, students, and other related stakeholders to the school

Referee Privacy Statement

Use of personal information provided by the referee

Your personal information is protected by the *Privacy Act 1988* (Cth) and CSIRO will handle your personal information in accordance with this Act.

CSIRO is collecting your personal information, including your name, contact details and any responses to questions you provide to assess your eligibility to participate in the Indigenous STEM Awards, and to facilitate your participation in the program.

CSIRO will also collect your personal and sensitive information from your profile photo and any video responses.

If you do not provide your information you may not be able to participate in the program.

The [CSIRO Privacy Policy](https://www.csiro.au/en/About/Access-to-information/Privacy) available at <https://www.csiro.au/en/About/Access-to-information/Privacy> outlines how your personal information will be handled, including details about how you can seek access or correction of the personal information we hold about you and how you can complain about a breach of the APPs and how CSIRO will deal with the complaint. If you require further information on how your personal information will be handled, please contact privacy@csiro.au.

Do you consent to the collection and use of your personal information as set out in this privacy statement?

Yes

No
