Activities and Contributions	
Challenge Activities	<p>You will participate in the Technology Commercialisation Challenge 2.0 (“Challenge”, “TCC”), delivered by the Commonwealth Scientific Industrial Research Organisation (“CSIRO”), as outlined in Schedule 1.</p> <p>The TCC is an initiative designed to enhance research and development collaboration between India and Australia, with a specific focus on establishing leadership in the research, development, commercialisation and manufacturing of cutting-edge renewable technology by our two nations. It offers a unique opportunity to bring together Australia’s world-class R&D and technology expertise with India’s rapidly expanding renewable energy manufacturing capabilities. By combining these strengths, the Challenge aims to drive innovation, improve the sustainability of energy systems, and facilitate the global transition to cleaner, more reliable energy sources.</p> <p>Your participation in the Challenge will run for up to 10 months. Challenge Activities include:</p> <ul style="list-style-type: none"> • undertaking of key project activities as outlined in Schedule 2 • facilitated information and learning sessions to support collaboration discussions with, and regarding, Indian stakeholders; and to support awareness and understanding of cross-border navigation, technology validation and adaptation, connections and networks, and credibility building in the new market. These will be delivered through a series of virtual sessions. • connections and support from dedicated Challenge Facilitator/s and experienced entrepreneurs, investors, industry representatives and or other international trade related experts as required • support to plan discussions with key manufacturing stakeholder/s in the target market • complete Documentation and Reporting • travel and in-person experiences. A minimum of two Nominated Participant/s must attend in-person activities in the target country (India) in November 2026 and spend a minimum of one day with your nominated Indian industry partner. • support to execute collaboration and project discussions, with a potential Indian manufacturing partner • participation grant (the “Grant”) as outlined below, see Grant Details.

	<p>You and your Nominated Participants should not share sensitive commercial or technical information and be mindful of your IP strategy, when participating in these Activities, as confidentiality cannot be assured.</p> <p>Should you elect to pursue further work beyond the scope of the Challenge and all Activities with parties whom you meet through the Challenge, this further work is beyond the scope of this Agreement and will be the subject of a separate agreement between those parties, and for which You are responsible.</p> <p>Further detail of Challenge Activities are specified in Schedule 1.</p> <p>Project activity details are specified in Schedule 2.</p>
<p>Your Contribution</p>	<p>Nominated Participants will be available to actively participate in Activities for the full duration of the Challenge, in accordance with the TCC Grant Opportunity Guidelines available at https://www.csiro.au/en/work-with-us/International/Technology-Commercialisation-Challenge</p> <p>It is estimated the in-person Activities will combine to a total of approximately 40-60 hours inclusive of travel. This does not include 1:1 in-person Activities and your own efforts to plan, engage and collaborate with nominated Indian renewable manufacturing stakeholder/s. You will allocate as much time as is reasonably necessary to engage in productive discussions regarding a potential collaboration with Indian manufacturing stakeholder/s participating in the Challenge.</p> <p>You are responsible for any costs associated with:</p> <ul style="list-style-type: none"> • You and Your Nominated Participants’ time and effort in the Challenge Activities • travel, both domestic and international (excluding the allowable spend use of the Grant specified in the CSIRO Technology Commercialisation Challenge 2.0 Grant Opportunity Guidelines • development and negotiation of any further work is beyond the scope of this Agreement, with other Challenge stakeholders.

Y

CSIRO's Responsibilities

- 2.1 CSIRO will:
 - a. provide a primary point of contact for You, and the Nominated Participants;
 - b. lead the Challenge Activities;
 - c. provide the Grant;
 - d. ensure that Facilitator/s, mentors or other experts formally participating the Challenge enter into an agreement with CSIRO to protect Confidential Information and Confidential Information disclosed by Your Nominated Participants in the course of the Challenge.
- 2.2 CSIRO will pay the Grant in accordance with the Payment Terms, including upon the achievement of the Milestones.
- 2.3 CSIRO may by notice withhold payment of any amount of the Grant where it reasonably believes:
 - a. you have not complied with this Agreement;
 - b. you are unable to undertake the Challenge Activities;
 - c. the Grant is being used to support the costs of any activity that would be reasonably anticipated to bring the Challenge into disrepute; or
 - d. there is a serious concern relating to the Participant Organisation, or this Agreement that requires investigation.
- 2.4 A notice under clause 2.3 will contain the reasons for any payment being withheld and the steps you can take to address those reasons.
- 2.5 CSIRO will pay the withheld amount once you have satisfactorily addressed the reasons contained in the notice under clause 2.3.

Intellectual Property

- 3.1 Ownership of IP in Challenge Materials is not affected by this Agreement. CSIRO grants you a non-transferable, non-exclusive, royalty-free right to use the Challenge Materials in connection with the Challenge Activities.
- 3.2 If CSIRO provides you with any material belonging to a third party, CSIRO will notify you of any conditions attached to the use of such material and you must use this material only in accordance with these conditions.
- 3.3 Each party is responsible for the safe-keeping of any Challenge Material or other material that is provided to it or created by it in the course of the Challenge Activities.
- 3.4 As between the parties to this Agreement, CSIRO does not make any claim over new IP brought into existence by you or Participants as part of or for the purpose of the Challenge Activities. You should consider putting in place appropriate IP arrangements with third parties where relevant.

Participating in Challenge Activities

- 4.1 Elements of the Challenge Activities may provide an open forum for Participants to share ideas and experiences. People may learn from and build on the information shared by Participants in such forums.
- 4.2 Confidential treatment of information shared in open forum as part of the Challenge Activities cannot be assured. Participants are not required to keep such information confidential.
- 4.3 You should ensure that You and your Nominated Participants limit information disclosed to others involved in the Challenge Activities accordingly, including to other participants in the Challenge. You should consider putting in place appropriate confidentiality arrangements with third parties where relevant.

Privacy

- 5.1 In this clause, 'Personal Information', 'Registered Privacy Code' and 'Australian Privacy Principles' have the meaning given to them in the *Privacy Act 1988* (Cth) (Act).
- 5.2 CSIRO is bound to protect personal information in accordance with the *Privacy Act 1988*.
- 5.3 CSIRO collects Personal Information, including sensitive information of participants for the purposes of delivering the Challenge. This personal information may include Participants' name, business address, email address and mobile number. You agree that CSIRO will collect, use and disclose the Nominated Participants' personal information in accordance with the [TCC Privacy Statement](https://www.csiro.au/en/work-with-us/International/Technology-Commercialisation-Challenge/Privacy-statement) (<https://www.csiro.au/en/work-with-us/International/Technology-Commercialisation-Challenge/Privacy-statement>) and [CSIRO Privacy Policy](https://www.csiro.au/en/about/policies/privacy) <https://www.csiro.au/en/about/policies/privacy> for the purposes of facilitating the Challenge.
- 5.4 By signing this Agreement you acknowledge that Your Nominated Participants have been informed of the [TCC Privacy Statement](https://www.csiro.au/en/work-with-us/International/Technology-Commercialisation-Challenge/Privacy-statement) (<https://www.csiro.au/en/work-with-us/International/Technology-Commercialisation-Challenge/Privacy-statement>) and [CSIRO Privacy Policy](https://www.csiro.au/en/about/policies/privacy) <https://www.csiro.au/en/about/policies/privacy> and have provided their consent to the handling of their personal and sensitive information in the ways described in the [TCC Privacy Statement](https://www.csiro.au/en/work-with-us/International/Technology-Commercialisation-Challenge/Privacy-statement) and [CSIRO Privacy Policy](https://www.csiro.au/en/about/policies/privacy) and for the purposes of the Challenge.
- 5.5 CSIRO may disclose Personal Information to Challenge industry participants, partners, collaborators and sponsors located outside of Australia for the purposes of delivering the Challenge. By signing this agreement, you acknowledge that this information may not be subject to the requirements of the Privacy Act once disclosed to entities located outside of Australia.
- 5.6 As a Participant you must:
- comply with any directions given to you by CSIRO in relation to your use of Personal Information;
 - assist CSIRO to meet its obligations in relation to Personal Information collected, used or disclosed in connection with the Challenge;
 - not use or disclose any Personal Information that you acquire, other than for the purposes of your role as a Participant. You also agree that you will take all reasonable steps to secure that Personal Information to ensure that it is not capable of being accessed by third parties;
 - delete or return any Personal Information disclosed to you by CSIRO at the conclusion of your participation in the Challenge.

Confidential Information

- 6.1 The parties acknowledge and agree that:
- Participants should not disclose sensitive Participant Organisation Confidential Information to CSIRO or its subcontractors. You should take all reasonable steps to ensure you do not disclose material which would undermine your ability to secure patent or other protection for Participant Organisation Confidential Information, or which would jeopardise or hinder your commercial activities; and
 - this clause 6 covers the parties' obligations in relation to Confidential Information disclosed as part of administering and managing the Challenge Activities.
- 6.2 Each party must comply with any directions given by a Discloser as to the use of Confidential Information.
- 6.3 Unless notified otherwise in writing by the Discloser, and subject to clause 6.6, each party must keep all Confidential Information of the Discloser confidential until that information enters the public domain other than by any breach of this Agreement.
- 6.4 A party must promptly notify the other party if they become aware of any unauthorised disclosure of Confidential Information.
- 6.5 The obligation to maintain the confidentiality of Confidential Information does not apply to information:
- created independently of the Confidential Information;
 - rightfully known by you as a consequence of the information being disclosed from an independent source without any limitation on its use and disclosure; or
 - in the public domain (other than as a result of a breach of this Agreement).
- 6.6 Each party may disclose a Discloser's Confidential Information or any other party's Confidential Information if required by law, but only to the extent of that legal requirement and after appropriate action is taken to protect the form and content of the disclosure.
- 6.7 Notwithstanding the foregoing in this clause 6:
- CSIRO may disclose Confidential Information of the Discloser to a responsible authority if CSIRO, acting reasonably, deems the information to expose or relate to a potential risk to public health or safety; and
 - CSIRO may disclose Confidential Information of the Discloser to its responsible government Minister or in response to a request by a House of Parliament or a Committee of Parliament.
- 6.8 The Participant must promptly notify the Discloser if it becomes aware of any unauthorised disclosure of Confidential Information.

Photographs

- 7.1 CSIRO or a photographer engaged by CSIRO may take photographs, audio and/or video recordings of the Challenge Activities. Nominated Participants give permission for CSIRO to use these images in promotional material and social media in relation to the Challenge as set out in the Media Consent and Use of Name Details, and your participation in the Challenge Activities.

Branding

- 8.1 8.1 You may use the CSIRO and Challenge name or trade marks to describe your participation in the Challenge Activities in accordance the requirements set out in the Challenge Acknowledgement and Promotions Details. You must not (and must ensure that your Participants do not) otherwise use CSIRO (including Challenge) name or trade marks in a manner which suggests CSIRO endorses or is otherwise associated with your technology, business, products or services. In no case may you or your Participants use CSIRO's logos without CSIRO's prior written consent.
- 8.2 CSIRO may use your name or trade marks in relation to the Challenge, in promotional material for the Challenge, from the Commencement Date continuing for a period of 36 months after Completion Date as set out in the Media Consent and Use of Name Details. You will provide a current version of your logo for CSIRO to use in accordance with this Agreement. CSIRO must not otherwise use your logos without your prior written consent.
- 8.3 CSIRO may publicise the provision of the Grant to you including using the TCC and CSIRO's name and logo, details of the project and the amount of funding awarded to you on public media, internet and other announcements during and after the Term. If requested by CSIRO, you will assist and cooperate in developing a case-study or other publicity regarding the Challenge for use by CSIRO on its website and other publicity activities. This process may result in one or more agreed joint press-releases.
- 8.4 Notwithstanding anything else in this Agreement, you must not issue any press release, public statement or public announcement with respect to this Agreement without CSIRO's prior written consent.

Liability

- 9.1 The Challenge Activities and Challenge Materials provide general information, rather than specific advice to your or your Participant's circumstances.
- 9.2 You acknowledge that you:
- a. are responsible for managing the confidentiality of your Confidential Information and the Participant Organisation Confidential Information in connection with the Challenge Activities;
 - b. must use your own judgement when using Challenge Materials made available to you under this Agreement;
 - c. exercise any right to exploit or commercialise any technology or materials created by you or your Nominated Participants at your own risk;
 - d. must use your own judgement as to the applicability and fitness for purpose of the Challenge Material and your technology or materials for your specific circumstances;
 - e. will make your own inquiries to determine whether the exercise of any right to exploit or commercialise your technology or materials will infringe any third party's IP; and
 - f. will make your own inquiries and use your own judgement as to the applicability and fitness for purpose of general advice or information provided by CSIRO or its subcontractors in the course of the Challenge Activities.
- 9.3 CSIRO excludes all terms, conditions, guarantees and warranties that otherwise apply by custom, the general law or statute in connection with this Agreement, except to the extent the exclusion of which would contravene any statute or cause this clause to be void or unenforceable ('**Non-Excludable Condition**').
- 9.4 To the extent permitted, CSIRO's liability to you for breach of any Non-Excludable Condition is limited at CSIRO's option to:
- a. for services:
 - i. providing those services again; or
 - ii. paying the cost of having those services provided again;
 - b. for goods:
 - i. replacing the goods; or
 - ii. paying the cost of replacing the goods.
- 9.5 To the full extent permitted by law CSIRO will not be liable for any special, indirect or consequential damages, loss of anticipated profits or loss of revenue, arising from this Agreement.
- 9.6 Each party's liability under this Agreement is reduced to the extent that any damages, liability, loss or costs arises from, or is attributable to, any negligent or unlawful act or omission of the other party or its officers, employees, agents or contractors.

Insurance

- 10.1 You must ensure you have and maintain during the Term, appropriate insurance arrangements, including public and product liability, professional indemnity and workers compensation and employer's liability insurance required by applicable law, in relation to the Challenge Activities and Your Nominated Participants.
- 10.2 You will be responsible for all travel insurance cover (travel and associated items) for any travel related activities associated with the Challenge.
- 10.3 Nothing in this clause limits the other obligations and liabilities of any party under this Agreement or at law.

Dispute Resolution

- 11.1 If there is a dispute between you and CSIRO that cannot be resolved ("**Dispute**") then the matter must be referred to the Resolution Institute for mediation in accordance with the Resolution Institute Mediation Rules operating at the time the dispute is referred to the Resolution Institute. The mediation must take place in Sydney, Australia and be administered by the Resolution Institute.
- 11.2 This clause shall survive termination of this Agreement.
- 11.3 Nothing in this clause prevents a party from seeking urgent interlocutory relief.
- 11.4 CSIRO may disclose any information regarding the Dispute to its responsible government Minister, House of Parliament or a Committee of Parliament.

Termination

- 12.1 Either party may terminate this Agreement by 15 days' notice in writing; immediately where either party becomes insolvent or an application is made to wind up the party in the case of insolvency; or immediately if:
 - a. any representation made by You in this agreement is untrue;
 - b. you persistently fail to meet your obligations under this Agreement despite receiving a reasonable number of written warnings from CSIRO;
 - c. in CSIRO's reasonable opinion, CSIRO's name standing and reputation is brought into disrepute by you or any of your Participants or by being associated with you or any of your Participants or as a result of any restructure or controversy affecting you or any of your Participants.
- 12.2 This Agreement can be terminated by a party by written notice if any party breaches a term of this Agreement and fails to remedy the breach within 30 days after receiving written notice requiring it to do so.

General

- 13.1 Each party warrants that it has the full power to enter into this Agreement. Each party acknowledges that it has been given an opportunity to seek independent legal advice in relation to this Agreement and is not executing this document in reliance upon a promise, representation, advice, statement or information of any kind given by the other party otherwise than as expressly set out in this Agreement.
- 13.2 This Agreement and the circumstances surrounding it do not create any relationship of employment, partnership, agency between you and CSIRO.
- 13.3 This Agreement records our entire agreement and supersedes all earlier agreements and representations that may have been made in relation to its subject matter.
- 13.4 This Agreement may be executed in any number of counterparts. All counterparts will be taken to constitute one instrument.
- 13.5 This Agreement is governed by the law of Australian Capital Territory, Australia.
- 13.6 This Agreement or a right created under it may only be amended, supplemented, replaced, novated, waived or varied in writing executed by all parties.
