

Aboriginal and Torres Strait Islander STEM Professional Reference Form

In order to be eligible for this award, at least two references must be obtained.

Each referee should discuss how the applicant meets the selection criteria. There is no limit to the number of references provided however only two are required. One reference must be from an Aboriginal and/or Torres Strait Islander person.

Other forms of information that could further merit the application can be submitted. This can be done by means of the additional upload box located at the end of this document.

Privacy Statement - Use of personal information provided by you

CSIRO is collecting the personal information provided by you as a referee in relation to an application for the STEM Professional Award. It will be used by CSIRO Indigenous STEM Awards program team to assess the application. This personal information includes:

- Contact details
- Your responses to questions on the application form

CSIRO will treat all personal information collected as part of your support for the student application in accordance with CSIRO's general privacy statement (www.csiro.au/privacy) for the CSIRO Education portal and specifically in relation to the Indigenous STEM Awards program.

Please contact our Indigenous STEM Awards program team on 02 4960 6200 if you:

- Would like to access any of your personal information we have collected in the Indigenous STEM Awards Program application process
- Would like to withdraw your consent at any time to use the information as described above
- If you believe that any information is inaccurate, incomplete or out of date

Do you consent to the collection and use of your personal information as set out in this privacy statement?

Yes

No
